### PROJECTS

**JKG Workout Training** | <https://github.com/jcole822/Workout-App> | <https://jkg-workout-app.herokuapp.com/>

- Summary: Weight lifting training application that stores training session performance and provides a program regimen to follow with recommended weights, reps, and exercises based on performance history.
- Role: Sole author
- Technology: React, Redux, Node.js, MongoDB, Mongoose, Express, Passport, Materialize CSS, CSS

**Drum Machine** | <https://github.com/jcole822/Drum-Machine> | <https://jkg-drum-machine.herokuapp.com/>

- Summary: Allows the user to play play beats with either the keyboard or mouse. Turn off and on with "Power". Switch between soundboards with "Bank".
- Role: Sole author
- Technology: JavaScript, React, Redux, Semantic UI, CSS

**JavaScript Calculator** | <https://github.com/jcole822/javascript-calculator> | <https://jkg-javascript-calculator.herokuapp.com>

- Summary: Evaluates arithmetic expressions.
- Role: Sole author
- Technology: JavaScript, React, Redux, Semantic UI, CSS

### EXPERIENCE

#### Scientist I

2019 – Present

Hikma Pharmaceuticals

Columbus, OH

Develop analytical methods for drug product testing to comply with cGMP in manufacturing and distributing quality medications.

Key Accomplishments:

- Validated an analytical method in a sole effort for agency approval for the analysis of drug products in half the time requested by management after only one year with no prior experience in the industry.
- Demonstrated high proficiency in using advanced technologies after only a few months in the company.

#### Graduate Teaching Assistant & Researcher

2018 – 2019

The Ohio State University

Columbus, OH

Supervised an educational organic chemistry laboratory.

Key Accomplishments:

- Instructed an average of 50 students per week.

#### Chemist

2017 – 2018

Marsh Bellofram Corporation

Newell, West Virginia

Created and improved silicone product formulations to match customer requirements and meet national standards.

Key Accomplishments:

- Formulated a multitude of products to increase profit margins.
- Shared responsibility with only one other individual for all department research, development, and testing.

### EDUCATION

**Certificate, Full Stack Web Development** – The Ohio State University

Columbus, OH; 2020-2021

**Master of Science, Chemistry** – Youngstown State University

Youngstown, OH; 2015-2017

**Bachelor of Science, Chemistry** – Youngstown State University

Youngstown, OH; 2011-2015
